What's included:

**Walking tour of Venice canals and main attractions.**

Oh Venice, home of lovers, passion and romance, transmitting history and emotions at every step, surprising you with each turn around its countless corners. Prosecco Escapes will take you on a day out through the world's biggest open-air museum, across canals and bridges, along secluded hidden routes and to some of the city's main attractions as Canal Grande, Rialto and San Marco, for you to breath in all the magical atmosphere of the city. Can't leave without that iconic Venice selfie right?

**6 x wine and cicchetti at typical 'bacari' in Venice**

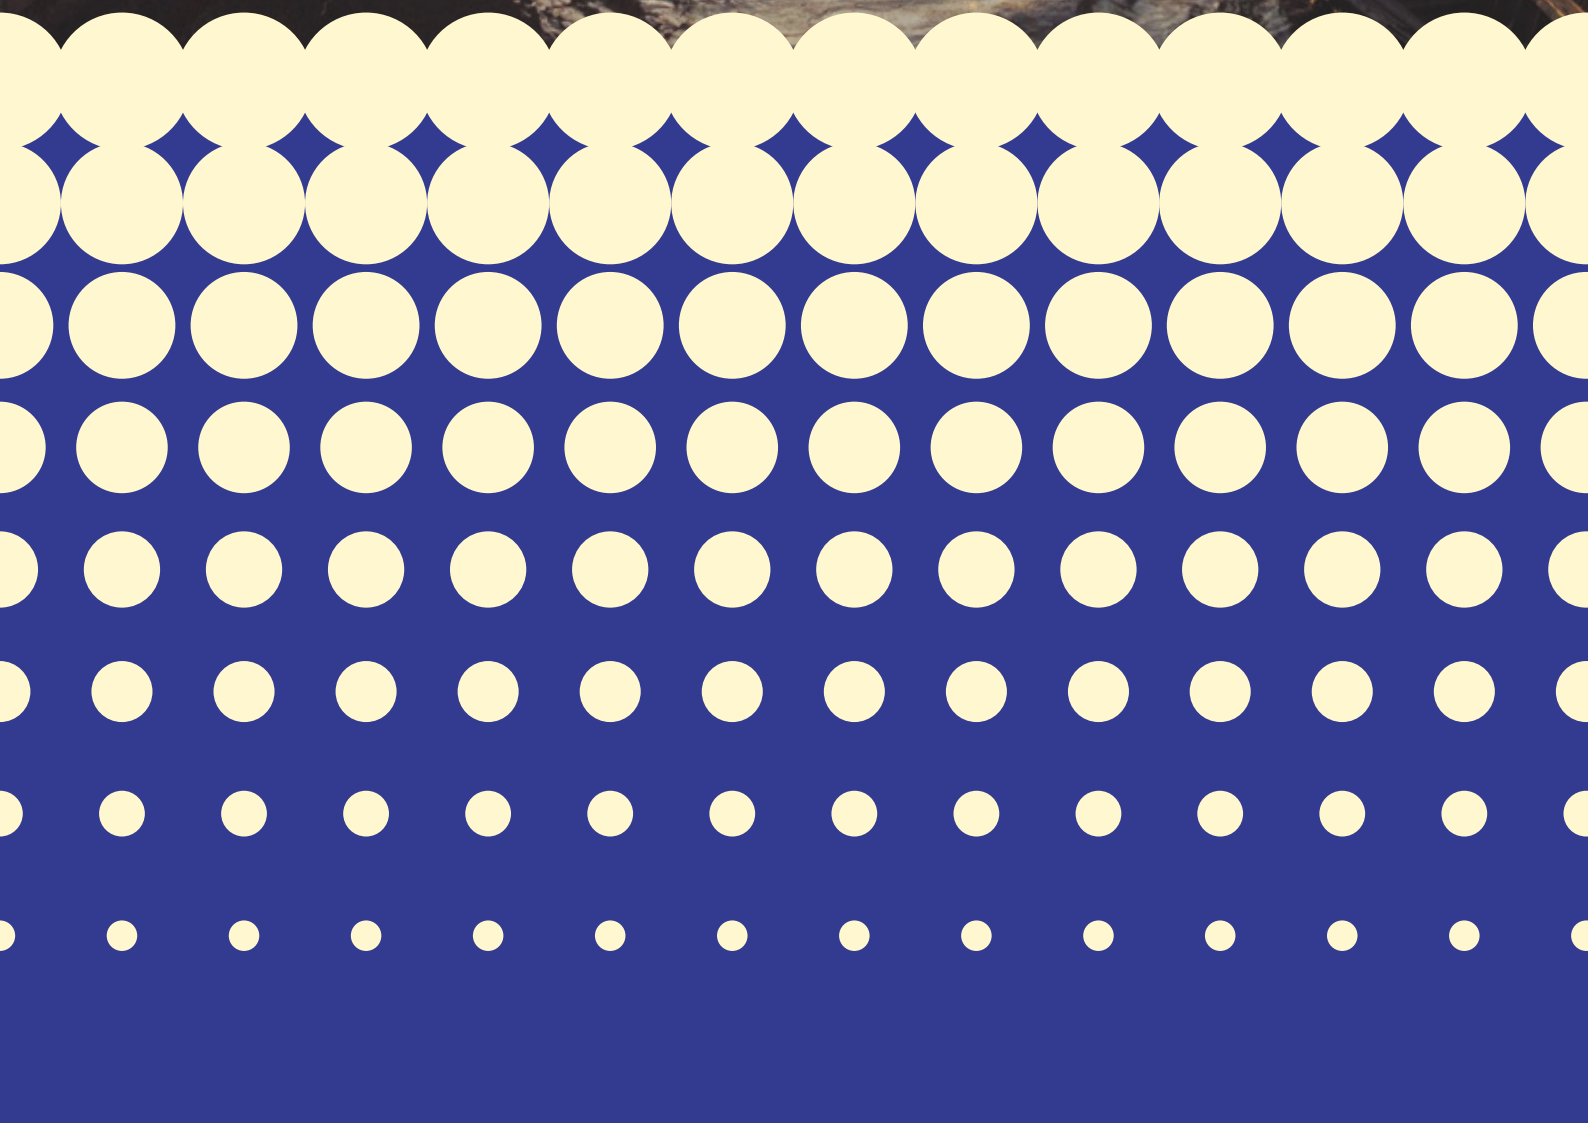

There's no better way to discover Venice's secret corners than going for a wild 'bacaro-tour', popping into each tavern devouring yummy 'cicchetti' and 'ombre'. We've shortlisted our favourite spots, from the most traditional to the internationally inspired, to take you through a taste journey while jumping over canals and admiring the gorgeous palaces of Venice.

**English-speaking local host**

When visiting foreign places there's nothing more precious or invaluable than a local friend taking you to rare corners, unveiling hidden gems and disclosing secrets and experiences about the area. That's where our hosts come in. They do all that so you can enjoy the view and don't have to worry about being dizzy & fizzy.
